

CENTRAL U. S. KIKO GOAT ASSOCIATION

RENEWAL APPLICATION

As of January 1st 2019, all membership dues will be due January 1st of every year and must be submitted by February 1st.

This change has to be made for ease in managing the enrollment list. Our membership has grown to nearly 100 members and multiple renewal dates is really confusing. I don't know how Karen does it with 700 members?

If you plan on consigning any animals in the April sale, there is a line for your membership renewal payment on the consignment form. If not consigning this year, just print out this form and send it to:
